Jaypee Institute of Information Technology

Theme Name

Smart Education

- *As we all know, children are one of the best visual learner and which kid does not like to play games right?*
- *So our team decided to combine visual learning with games for the awareness of children's right among them.*
- *Our main focus is story game where on the kid's choice he can have multiple outcome but the catch is that in every scenario he will be learning something.*
- *Our main focus is to educate and help children through things like:*
 - *Child Labour*
 - *Lack of Money for Education*
 - *Sexual Harassment*
 - *Child Abuse*
- *Not only learning we also aim that someday our website will contribute in helping real victims suffering these insufferable crimes.*
- *For making this project interactive with kids we also created our very own mascot named....*
.MR. LEO

Interactivity among kids
Child-restricted content

Legal correctness and associated challenges

These dependencies have been resolved through extensive research and consultations with legal experts. The introduction of Mighty Leo, a mascot, which has sparked interest among children

Problems Being Faced By Children

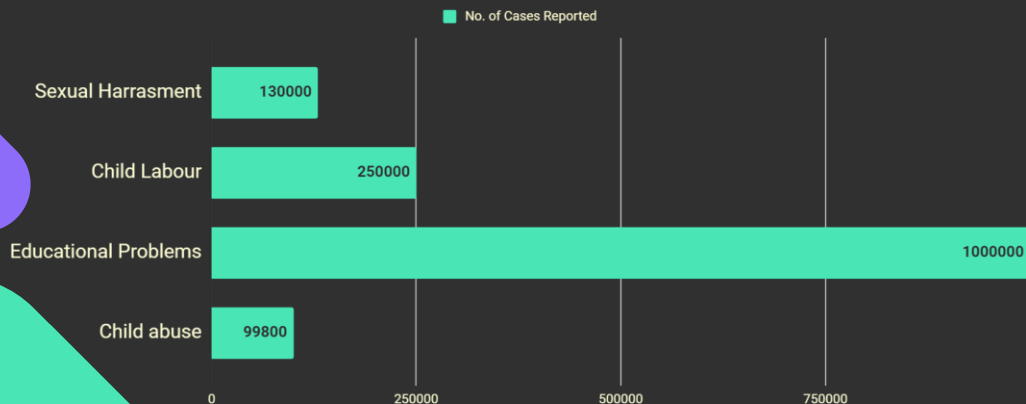

Whole Indian reach

01 Sexual Harassment

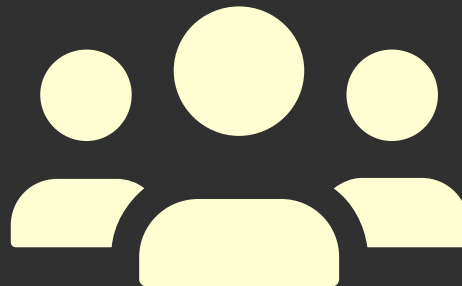

03 Educational Problems
